Eyes of Fire

Apostolic & Prophetic Training Center

The Eyes of Fire Bible Training Center was established to assist and equip the students in their pursuit of their destiny in Christ (Jeremiah 29:11). This is accomplished through the use of traditional and non-tradition classroom settings. We believe that the Bible is the inspired and inerrant Word of God, and a proper understanding of its content and message is essential for the integration of all knowledge and spiritual growth.

Eyes of Fire Bible training center is not just a place where one comes only for classes and then goes home. It is an all nations community, where students learn together, pray together and grow with each other. Students are offered an opportunity for mentorship, fellowship, activation of gifts, and discipleship. It is an important core belief of our founder, Prophetess Narriett Butler, that if you live it, then you can teach it.

Goals and Objectives of the training Center

That students become grounded in their Christian faith and

- Understanding of the Major Movements in the US
- Understand the importance of Spiritual Gifts
- Understand the importance of the local church and its Governmental Gifts to the Body of Christ, especially the office of the apostle and prophet.
- Understand the time and season within which we live
- Understand the power of prayer and dwelling in his presence
- Understand the Christ's mandate on the Church
- Equipping and mentoring in how to flow in one's gifts with their leadership
